Vision - 3 The Author

He will glorify me because it is from me that he will receive what he will make known to you.
John 16:14 NIV

The Holy Spirit is the most creative writer you could ever meet. He is longing to make his mark on your life, in fact many marks. He is wanting to change you, writing the word of God on your heart and making you more like Christ. He is wanting to pour vision inspiration, guidance and assurance into you.

Are you prepared to receive all he has to give? Are you willing for him to reveal to you direction and purpose, in other words vision? He wants to create vision in your life fueled by him as author and creator. He wants to breathe life into the parts of you that are unresponsive to God, in other words dead.

If this is what you want then spend quality time with him, wait on him, meditating on his word so that he can pour vision into your life, awaking those dark areas and doing wonderful and even unexpected things with you. Wait on him, trust him and believe. Are you ready? Then go for it and what he gives will bring glory to the God who made you.
